

City Port Fund Item Included In Army List

Council Takes Final Steps to Conduct Ballot June 11

With receipt of word from Congressman Albert E. Carter of Alameda county, member of the Rivers and Harbors Committee of congress, that the \$94,000 Redwood City harbor dredging fund is assured, the city council, in adjourned session, Monday completed legal steps for a \$266,000 bond election June 11.

The council, upon motion of Councilman James Eva, and second of Councilman Louis Christensen, adopted the bond election ordinance introduced a week ago. Vote of the board was unanimous.

Carter, in a letter to the Council Harbor Committee, of which William Viehauer, editor of The Tribune, is secretary, declared that the Redwood City item of \$94,000 is included in the list of projects contemplated by the War Department.

ITEM INCLUDED

"The War Department Appropriation Bill which carries the money for river and harbor work, is now pending before the congress," Carter wrote. "In the appropriation bill a lump sum is set aside for river and harbor work, and the specific items that go to make up this lump sum are not mentioned in the bill."

"However, the Chief of Engineers is required to justify his request for this lump sum before the appropriations committee where a list of specific items are submitted. Upon investigation, I found that Redwood City was on this list for the sum of \$94,000. Therefore, I believe that your matter is in very good shape."

believe that your matter is in very good shape."

Carter expressed appreciation to the citizens of Redwood City, headed by Mayor Paul McCarthy, for the assistance given Alameda in winning the navy base project.

FUNDS FORESEEN

The council's action in setting the bond item at \$266,000 was taken to safeguard the eventual possibilities that federal agencies might not come through with assistance on the wharf facilities. It is the promise of the council that if the \$66,000 sought is secured from PWA or other sources, this amount will be canceled and bonds of only \$200,000 will be issued.

Mayor McCarthy expressed confidence that the federal government will find the \$66,000 in the more than \$3,000,000,000 public works fund which the nation will expend for relief in the 1936-37 fiscal year beginning July 1.

UNION LABEL VOTED DOWN, FIVE TO TWO

Requirement that the union label appear on printed matter purchased for the City of Redwood City was defeated by the council in a 5 to 2 vote.

The proposal was incorporated in a resolution instead of in an ordinance as suggested by the San Mateo County Typographical Union.

It was offered by Councilman Evans Fletcher, and seconded by Councilman Robert Jones.

Although sympathetic to union labor, the other councilmen, because the job printing would be limited to only two local commercial shops, voted down the resolution.

City Attorney Albert Mansfield, in presenting the resolution ordered sometime ago by the council, said the requirement that the union label be used was legal.

Safeway Seeks Junior Talent On Peninsula

A search for new and outstanding junior dramatic talent in San Francisco and on the peninsula will be launched May 14. Stardom for some lucky youngsters, professional stage, radio or screen careers for a number of others, may result from the hunt, which is being jointly sponsored by Fanchon & Marco and Safeway Stores Inc.

From May 14 to June 13, in every Safeway Store in San Francisco district, which includes San Francisco, San Bruno, San Mateo, Redwood City and Burlingame coupons will be given customers to determine the winner among that store's patrons.

Every winner will be given a 14-week free scholarship at the Fanchon & Marco school which teaches dancing, dramatics and radio.

At the end of the 14 weeks the most talented candidates will be selected from the 14-week group and will be given additional scholarships entitled them to a full year's course of study in the school. The age limit of the entries in the contest will be 18 years.

Penney's Annual Men's Suit Sale Being Observed

C. A. Nelson, local manager of the J. C. Penney Co., today announced the opening of the store's annual men's clothing event. A special purchase of 100 new suits ranging in size from 35 to 48 will be the outstanding feature of the event. According to Mr. Nelson there will also be many mark downs on the line of men's clothing already in stock and the offerings will make substantial savings possible.

Children Offered Theatre Tickets For Old Auto Tires

The Bissell Tire & Battery Service at 2093 Broadway have struck upon a novel way of collecting old tires and a profitable one for the boys and girls under 12 years of age in Redwood City.

The tire company is offering free theatre tickets for all tires brought in regardless of their condition. The tickets are good for the Sequoia Theatre matinee of Saturday, May 30.

Saturday Dances To Continue at M & M

In response to popular demand, Saturday night dancing will be a regular feature at the M & M Cafe, Main and Middlefield roads, H. J. Fitzgerald, proprietor, announced today. Good music, fine service and a good time will be assured those attending, according to Fitzgerald.

MRS. ANTHONY INJURED

Injuries consisting of facial cuts and a knee concussion were suffered by Mrs. Martha Anthony, 367 Encina avenue, Redwood City, when the car driven by her husband, George M. Anthony, and the machine of Boyd W. Sprott Jr. of Hillsborough collided at the corner of El Camino Real and Hopkins at 3:30 p.m. Tuesday.

Used Car Lots From Outside Face High Fee

Used car dealers who have no new automobile salesrooms would be required to pay a stiff city license under terms of a recommendation adopted by the Redwood City Planning Commission Monday night.

In another recommendation to the city council, the commission urged that setback lines on Main street between El Camino Real and Maple street be changed from 10 feet on each side to 14 feet on the east side.

Decision to approve a car ordinance came after a half dozen local dealers had endorsed a tentative measure which provided that all dealers should pay a special license except those operating a new car agency and "having a regular store or show room or garage where the new automobiles represented by such auto sales agency are shown or displayed."

FEE UNDECIDED

The commission did not recommend what the used car dealer fee should be, preferring to let the city council decide on the amount.

It was suggested by City Atty. Albert Mansfield, in a communication, that the fee should be \$250 or \$300. The \$300 fee met approval of the new car dealers present, but two protests were heard from representatives of used car agencies.

As a result, it was decided to make no recommendation regarding the amount of the license. All dealers now pay a \$40 annual fee.

Purpose of the large license, new car dealers said, was to put the "open air" agencies on a parity as regards overhead expense with the dealers who pay rent for showrooms or garages.

Primary purpose of urging setback line changes on Main street was to permit the Shell Oil Company to rebuild its service station at Five Points, H. C. Goldstone, representing the oil firm, explained to the commission that with the present setback lines of seven feet on El Camino Real and 10 feet on Main street, insufficient ground was available on the company's holdings to erect a modern unit, cost of which he estimated at \$10,000.

Junction Inn Raid Nets Four Arrests

SAN JOSE, May 13.—Only a few hours after Junction Inn had been purchased by Harry Witz from Frank Mendoza, the inn was raided last night by a posse of Sheriff George Lyle's deputies who crashed their way with axes through a double system of barred doors into what they described as one of the most elaborately equipped gambling establishments in Northern California.

Witz and three others were taken into custody on charges of operating a gambling house. The resort, located about a mile north of Mountain View on El Camino Real, was known formerly as the Junction House.

MURIETTA BANDIT PLAY COMING

Warner Baxter as Joaquin Murietta, and Margo, in a scene from Robin Hood of El Dorado, playing at the Sequoia Theatre Sunday, Monday and Tuesday. On the same bill will be Ann Harding in "The Witness Chair."

MENLO PARK NEWS

Menlo Parlor, Native Sons of the Golden West, initiated 10 new members at the regular meeting last Thursday night. All the grand officers were present and congratulated the parlor on its fine showing and progress. Refreshments were served after the ceremony.

Deaconess Margaret, who will be remembered by many in this community as Miss Margaret Booz, daughter of Mr. and Mrs. L. T. Booz of Menlo Park, visited relatives here Saturday. She was on her way from Pacific Grove to Yreka, Nev., where a service was held Sunday afternoon in the Episcopal Church to celebrate her completion of 15 years of missionary work there.

Mr. and Mrs. Fred Paletti spent the week-end with friends at Esalon. Mr. Paletti is secretary of the Menlo Park Italian Family Club.

Father Burke, a former assistant at the Church of the Nativity, visited friends here Monday. For some time Father Burke has been located in Oakland.

James D. O'Kane on Tuesday attended the funeral of Mrs. J. Sullivan, a pioneer of San Francisco. Mrs. Sullivan and her family resided here for a while after the earthquake.

Much interest is being taken in the entertainment on May 29 for the benefit of the Church of the Nativity. Tickets are on sale at the parish residence.

A large class of boys and girls received their first Holy Communion at the 8:30 o'clock mass in the Church of the Nativity last Sunday. Father McKoon had been preparing the children for several weeks. After the mass the children were given a breakfast by the ladies of the parish.

Mr. and Mrs. Howard Crane and their pretty daughter spent the week-end with Mr. Crane's parents, Mr. and Mrs. Eugene Crane. Howard Crane is one of the executives of the Shell Oil Company at Los Angeles.

Miss Ruth Rugard has returned to her home in Walnut Grove after spending 10 days as the guest of Miss Carmel O'Keefe.

David Buckley, who passed away in Palo Alto Saturday evening, was well known in Menlo Park, having resided here for several years. Mr. Buckley owned the James Logan estate. After selling the property the family moved to Palo Alto. Recently Mr. Buckley bought the Toby home, one of the show places of the college city.

The deceased was a native of Oregon, but has spent most of his life in San Francisco and the peninsula. He was an honest and just man, beloved by his business associates and friends. Mr. Buckley is survived by a wife and five children. The funeral on Tuesday morning from the Palo Alto Catholic Church was largely attended.

The monthly meeting of the Ravenswood Parent-Teacher Association was held this week in the Ravenswood School auditorium. Reports were made on the annual round-up of pre-school children, held on the 7th under P. T. A. auspices. Twenty-eight children were given physical examinations—15 boys and 13 girls.

A card party for the benefit of the association was held Thursday afternoon at 2:30 o'clock at the home of Mrs. Leonard Cleland, 531 Walnut street, North Palo Alto.

The Ladies' Auxiliary of the Menlo Park Presbyterian Church will give a pot roast dinner Wednesday evening, May 20. The price will be 40 cents for adults and 25 cents for children.

Superior Judge A. R. Cotton was host to some 65 friends at a dinner party last night at the Oak Grove Villa.

Thirty-eight per cent of Kansas counties increased tax levies this year for relief purposes.

Insurance of \$33,000,000 was written against risks on the building of the San Francisco-Oakland bridge.

SANTA FE BUS SERVICE TO PENINSULA SOUGHT

Supervisors to Seek Link at Hayward to New Valley Line; Fiesta Issue Skipped; Ice Plant Costs Bring Dispute

Efforts to bring the Santa Fe's new proposed service from Los Angeles via the San Joaquin valley to San Francisco via the San Mateo-Hayward bridge were initiated Monday by the board of supervisors.

The board instructed District Attorney Gilbert Ferrell to intervene on behalf of San Mateo county before the California Railroad Commission to assist the Santa Fe application and to bring the service to the peninsula.

The proposed service called to the board's attention by the Civic League of Improvement Clubs and Associations, San Francisco, would divide at Hayward, with passengers going to Eastbay points remaining on the trains, and those coming to San Francisco and the peninsula changing to motor buses for the bay crossing.

Supervisor Albert Witt Jr., Colma, moved for the intervention, pointing out that months ago he had advised San Mateo county assistance to the Santa Fe. He was seconded by Supervisor Walter High, Burlingame.

FIESTA COMMISSION ACTION POSTPONED

Appointment of a fiesta commission, due Monday, was passed over without comment by the board, when County Executive Walter Kellogg reported that the ordinance creating the commission has been referred to Attorney General U. S. Webb for a legal ruling.

Kellogg had transmitted the names of the seven fiesta directors, Miss Pansy Jewett Abbott, Controller Edward Stack and himself earlier in the week.

But because of an attack by Supervisor Witt on the legality of the ordinance, which Witt asserts wrongly delegates board powers, Kellogg referred the matter to Webb.

ICE PLANT EXTRAS BRING BOARD DISPUTE

Extra costs of \$120 incurred in installing an \$11,100 ice plant at the Community Hospital, which brought a protest from Supervisor Fred Beer, San Carlos, that "it was the most asinine contract" that he had yet called to his attention, were referred by the board to a committee for recommendation after lengthy debate.

J. J. McGorry, mechanical superintendent of the hospital, defended the extra costs as necessary to provide the most ideal plant. He declared the fault was in the lack of definite plans for housing the ice plant when the contract was originally let to the Cyclops Iron Works of San Francisco.

SIGNBOARD REGULATION GOAL OF SUPERVISORS

An effort to change state law which gives municipalities but not counties the right to regulate bill-

boards and secure revenue from new proposed service from Los Angeles via the San Joaquin valley to San Francisco via the San Mateo-Hayward bridge were initiated Monday by the board of supervisors.

Hugh Pomeroy, planning advisor, in reply to a request from Supervisor Witt, said that the state is now violating its own law which gives the county the right to regulate billboards where zoning has been set up. This has been done in San Mateo county, Pomeroy said, but the state is charged with "flagrant violations" of its own law.

BOARD SPLITS OVER \$1000 FIESTA REQUEST

Request of Ray Higgins of Sharp Park for \$1000 to put on a celebration for the opening of the Thornton section of the Ocean Shore highway split the board, 3 to 2, after Chairman Manuel Francis, of the Coastside, was forced to give up the chair to second Supervisor Witt's motion.

Supervisor Walter High, Burlingame, refused to vote with his colleagues, Witt and Francis, and joined Supervisor John Poole, Redwood City, and Beer in voting down the request.

The protestors took the stand that the matter was not called to their attention in time to give it proper consideration.

The celebration, which will be held anyway, will take place May 31, Higgins said.

VETERANS WIN NEW SPAC IN PARK

Use of an 8-acre area in Memorial Park for all San Mateo county veteran organizations was approved by the board after new presentation of the 15-month-old appeal by Maj. H. W. Edmonds of Redwood City. Edmonds said that the veterans plan improvement of the tract for their use.

Giles Johnson of Montara was instructed by the board to attend the Santa Barbara session of the California Beaches Association to be held May 16.

HERE is an offer that is too good to pass up. Think of it—\$12.50 for your old water back, non-automatic or combination water heater when you buy your new Automatic gas water heater.

But you will have to hurry. This liberal trade-in offer expires on May 28.

Nothing you can buy brings a home so much comfort and convenience as the quick on-tap service of hot water an Automatic so dependably and economically provides. No more waiting for water to heat. No more "tank-patting." No more heating too much water and letting it get cold again. That always means wasted fuel.

Come in before this offer expires and trade in your old water heater on a new Automatic. You can use the revised F. H. A. terms of Nothing Down and as little as three dollars a month. Don't delay. This exceptionally liberal trade-in on a new Automatic selling for fifty dollars or more will be in effect only a few more days.

'Missing' Boy Hurt Falling Off Car

DAILY CITY, May 13.—Shirley Olson, 16, of Daly City, who had been sought by police since he left home Sunday and failed to return, was in the Community Hospital at salt. Stir in orange juice, which has been heated. Cook, stirring constantly, until mixture thickens about 5 to 8 minutes. Makes about 1 cup sauce.

San Mateo today after allegedly jumping from a moving car which police said had been "borrowed" in San Francisco.

Police, who said they had meager details of the case, reported that young Olson was transferred to the San Mateo Hospital from the Santa Cruz County Hospital where he was taken with a possible brain concussion and face lacerations received when he leaped from the "borrowed" car. The police said that two other Daly City boys had

been with Olson, son of Edward Olson, city water department employee, but they had no information as to the whereabouts of the other youths.

Menlo Park to Push Hetchy Water Plans

MENLO PARK, May 12. Agreeing that a comprehensive survey of the costs of installation, operation and maintenance of a municipal water system is the next step in its campaign to acquire Hetchy water for the city, the Menlo Park Planning Commission has recommended that the city council authorize Engineer Bert J. Mehl to proceed with such a

survey. The recommendation was voted at this week's meeting after reiteration by Commissioner J. H. Sullivan of his contention that the city could form a water district and distribute its water with no greater costs to the taxpayer and with low rates. Commissioner of Streets Irving Dunn reported on a survey of tree planting requirements for Menlo Park's "old town" district. The survey, made jointly by Dunn and Thomas Stentford, nursery-

man, suggested that existing planting plans be adhered to and 221 new trees be planted. F. L. W. Macdonald was re-elected chairman of the commission, which is now composed of Macdonald, Sullivan, Mark J. Loughlin and Hugo May. The commission recommended that the city council name Mrs. Emma Striling to fill a vacancy on the planning group.

Tests By Board Asked For Building Aides

Creation of a board of three members to examine applicants for the position of deputy building inspector was urged on the supervisors today by the Journeymen Plumbers and Steam Fitters Local No. 467 of San Mateo county.

In a communication signed by William J. Logue, the labor group asserted the suggestion was "to secure men qualified to perform the duties" of the office. The board would consist of one journeyman plumber, one journeyman electrician and one building contractor, under terms proposed by Logue.

Longer Work Days Planned on PWA Job

Private work has absorbed so many skilled laborers that the eight-hour day will have to be restored on PWA construction work at Mills Field airport to speed the building program there, according to San Francisco's Public Utilities Commission, which yesterday

passed a resolution declaring existence of an emergency in order to institute the longer day.
On all PWA jobs, under federal regulation, the working day is six hours. The change must be approved by federal officials before becoming effective, but it was understood the emergency is recognized by local PWA officials. Workers on the PWA projects were quitting in order to get the

longer hours under private employers.
Bids were to be opened today for a new airport administration building under the changed labor program.

8 J. C. Instructors May Lose Positions
SAN MATEO, May 13.—Eight San Mateo Junior College instructors face loss of their positions next fall, according to Superintendent Homer Martin.
Decrease in attendance due to the establishment of the San Francisco Junior College will make the faculty cut necessary, Martin said. Should the San Mateo college registration increase to a point where the instructors can be used, they will be retained, however, Martin said.
The instructors are: Robert D. Brown, Robert D. Rowe, Cyril Cope, David Rempel, John Ross, Martha Hack, Dorothy Herrington and Mary E. Peters.

Fourteen weeks of real professional instruction at the world-famous Fanchon and Marco School of the Theatre—FREE to more than 200 San Francisco and Peninsula boys and girls!

Who knows? You may win one of these valuable scholarships for your youngster—providing training in tap, ballet, acrobatic dancing, drama, personality singing.

This is the way Safeway makes it possible:

- 1 Beginning Thursday, May 14, your Safeway grocer will give you a numbered ticket FREE with every 50c purchase.
- 2 Deposit stub from ticket in box provided. Save the ticket itself until drawing.
- 3 On Saturday, June 13, at 3:00 P. M., the drawing for winners will be held. Holder of winning ticket at each Safeway store will be entitled to a 14 weeks' scholarship in the Fanchon and Marco School of the Theatre, for any child up to 18 years of age.
- 4 You do not have to be present at the drawing to win.
- 5 There is no limit to the number of tickets you may hold. Of course, the more you have, the better your chances of winning.
- 6 Safeway employees or their relatives are not eligible to participate in this contest.

At the end of the first 14 weeks' period, the 15 most promising students will receive additional free scholarships for one full year of instruction at the Fanchon & Marco School of the Theatre. Full details will be published later.

Here's the opportunity you've been waiting to give your child. Do your share toward making it come true. Trade at Safeway—

You will always find the right price on your favorite brand of coffee at Safeway.
